GROUND STRUCTURE

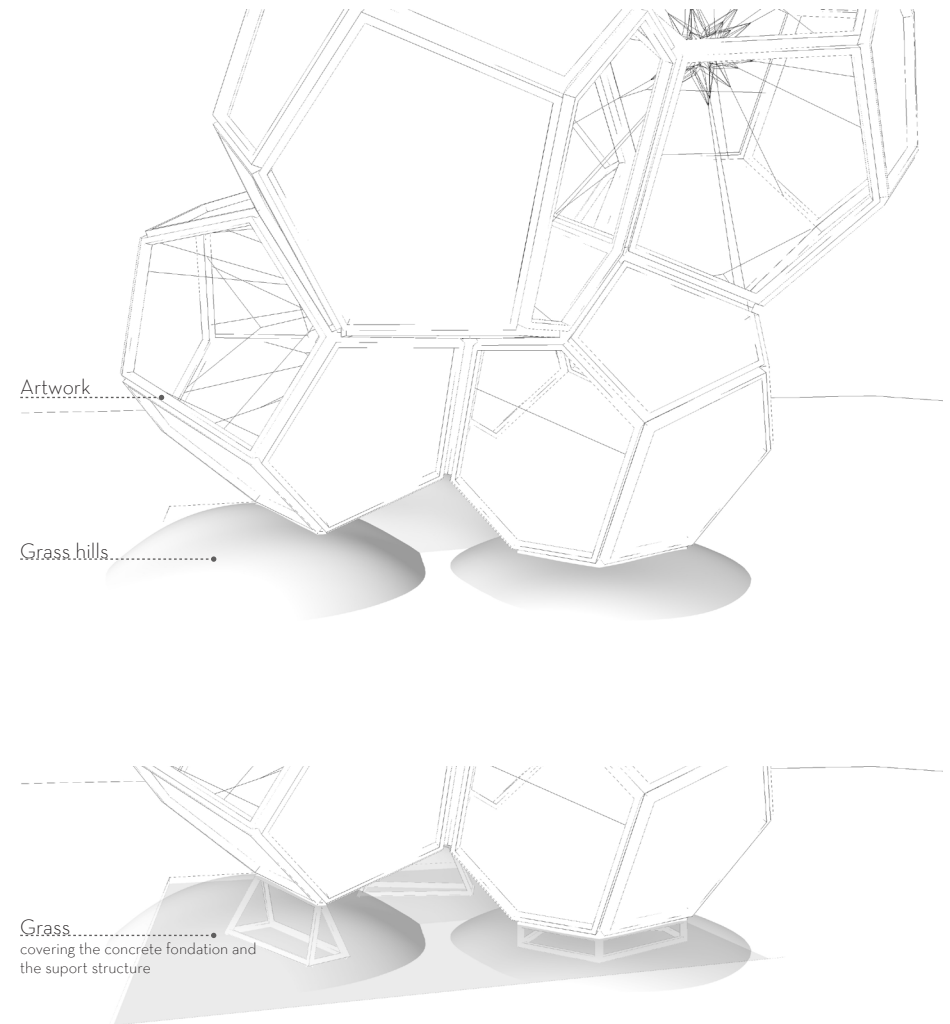

Concept Idea

Thee support structures will fix the artwork to the ground.
These elements will be covered by small hills of grass.

1. Placing the concrete fondation and support structure on the ground.

2. Artwork fixed to the support structure is covered with grass

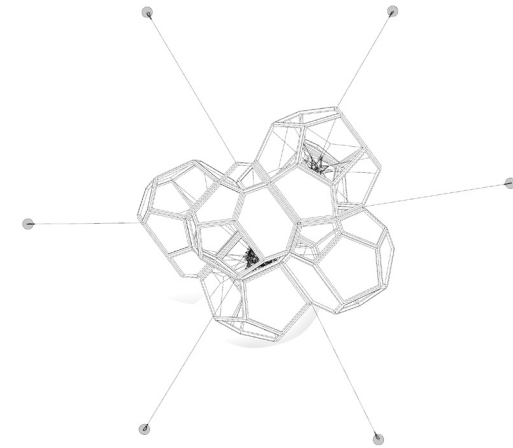

SAFETY CABLES TO FIX STRUCTURE TO GROUND

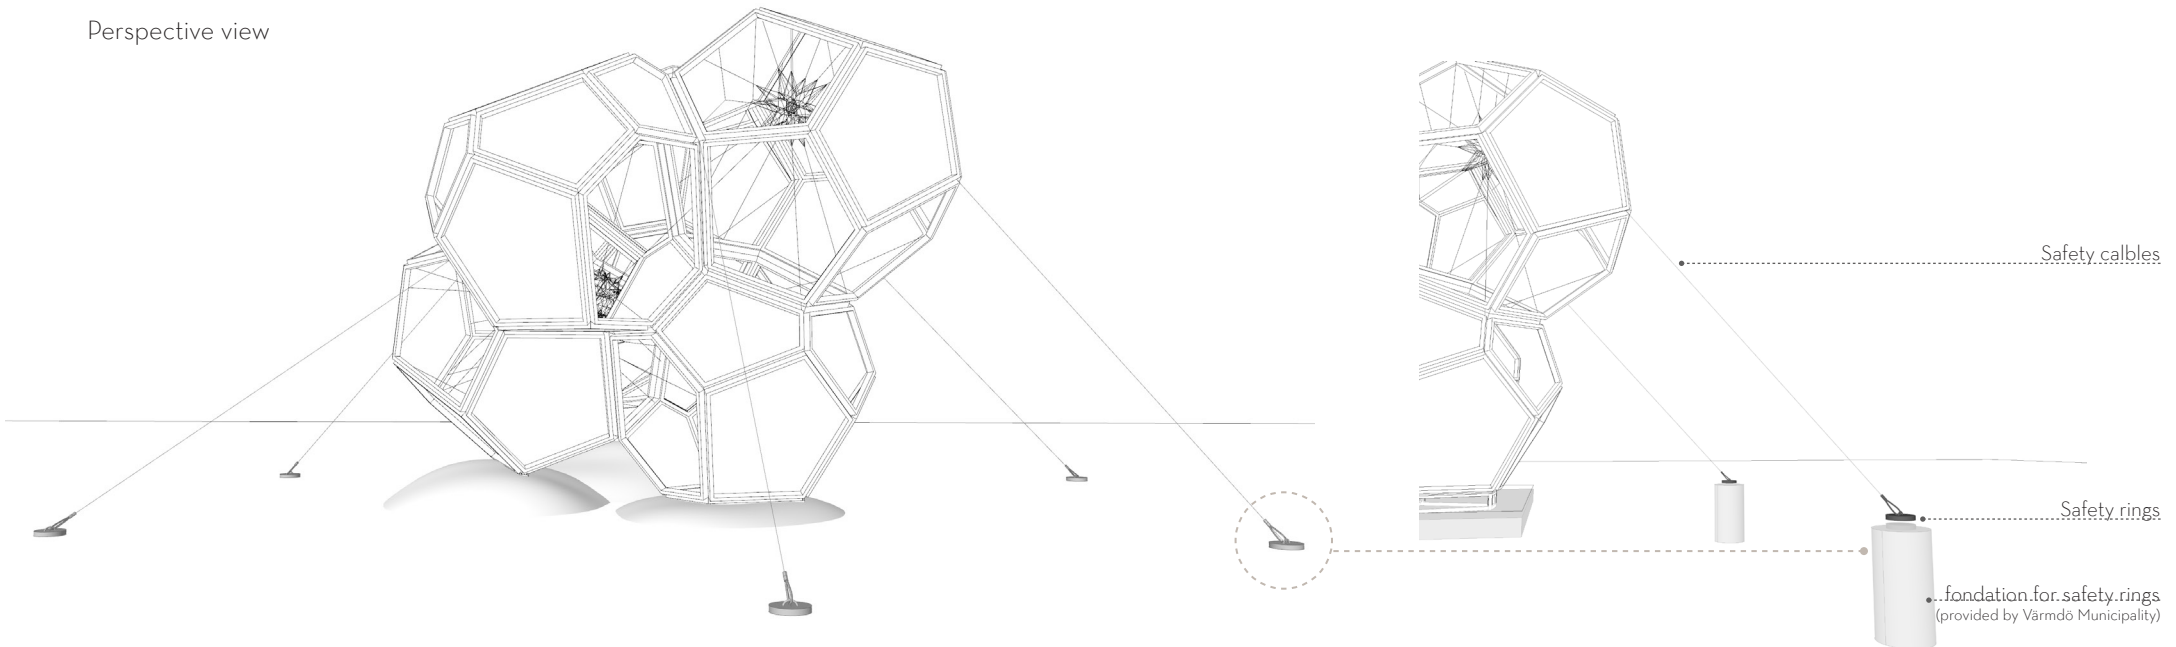

Concept Idea

During a windy day, it will be possible to temporary add some cables to the installation in order to reinforce the attachment of the artwork to the ground
