The Twinning Partnership between Tyresö and Wejherowo

Honorable Mayor Hildebrandt

In April of this year, we sent the attached letter to you and asked about how Wejherowo views the continuation or conclusion of the Twinning partnership between our two municipalities.

As we have not received a response from you in this matter, we assume that Wejherowo is no longer interested in keeping up the Twinning partnership with Tyresö municipality.

Our viewpoint is that the traditional type of Twinning relations does not fill the criteria for international collaboration expected of a modern municipality.

Therefore we find it appropriate to conclude that the Twinning relation in the traditional form between our two municipalities comes to an end.

We wish to thank Wejherowo for the Twinning partnership we have had, and wish Wejherowo municipality success in the future.

Fredrik Saweståhl
Mayor Tyresö Municipality
