Agenda:

Presentations and visit books separately

- Tokyo waterfront area
- Odaiba
- Toyosu
- Ginza
- Minami Machida grand berry

Program 27/28 June 2023

The IAKS Study Trip to Tokyo, Japan is officially scheduled to take place on 27 and 28 June 2023, the first for the last 35 years (the last study trip to Japan was in 1988). The programme includes visits to six high-calibre sports and leisure facilities in the Tokyo Metropolitan Area, including the innovative and traditional facilities of the 2020 Tokyo Olympics with its typically Japanese features.

In the same way as the past study trips in 2018 (Copenhagen, Denmark), 2019 (Hamburg, Germany) and 2022 (Vancouver, Canada), the IAKS Study Trip 2023 promises memorable experiences with abundant background information, exclusive insights and international networking.

Agenda:

Visit these facilities and meet their managers and operators:

- National (Olympic) Stadium
- Tokyo Metropolitan multi-functional Sports Hall ASICS Complex
- State-of-the-art athletic field
- National Yoyogi
- Budo Facility at the Meiji Shrine
