

Dear Madam/Sir,

INTER-NOISE 2012, the 41st International Congress and Exposition on Noise Control Engineering, will be held in New York City, USA, from 19-22 August 2012. The conference is being organized by INCE-USA and the ASME Noise Control and Acoustics Division (NCAD).

At this congress, we are organizing a theme on **Noise Policy Development, Education, Economics and Implementation** which comprises the sessions mentioned in the Annex.

Based on your outstanding work and reputation in this field, we have the pleasure to invite you to deliver an invited paper in the sessions mentioned in the Annex..

InterNoise will be the preeminent international conference on vibration and noise control in 2012, and will be a good opportunity for your work and organization to gain valuable exposure within the global community. Please note that this invitation is in recognition of your work at the national and international level, however all normal conference fees are still applicable.

Your abstract should be submitted through the congress website [www.internoise2012.com](http://www.internoise2012.com).

We look forward to seeing you in New York City next year.

Sincerely yours,

Miriam Weber

Henk Wolfert
